

Waiver: Release of Information Form

F.S. 718.111(12) and F.S. 720.303 (5) (c) Provides that owners may consent in writing to the release of personal identifying information not otherwise accessible to owners (i.e. telephone numbers, facsimile numbers, e-mail addresses, other mailing addresses, etc.)

The 2010 amendments to the statute, referenced above, provided that owners' information as indicated above could not be made accessible. The new statute permits owners to authorize the disclosure of such information, provided their consent is evidenced in writing.

In order for your information to be included in a telephone directory, on the website etc., this waiver must be signed and dated. (Note: emails will not be accepted)
